

AR Village Quilt Show 2022

Quilt Appraisal Registration Form

AQS Certified Appraiser of Quilts & Quilted Textiles Allison Rainboth will be on hand at the Show to offer appraisal services by appointment. She will be offering two kinds of services:

1. Verbal Assessment, \$25. Verbal assessments are very useful for older family pieces when you may not know the history or care requirements of your piece. Allison does not offer verbal assessments for contemporary (recently made) pieces, and a verbal assessment does not include a fair market valuation. Use this assessment to find out about the mystery quilt left to you by a relative.
2. Written Assessment, \$50. This form of appraisal will involve the collection of specific data about your piece of any age. Allison will document the details of the quilt and will research the market to set values. The written appraisal will be mailed to you after the show. It is valid for submission to your insurance company to obtain coverage.

Quilt Appraisals will be done in Benton Event Center as follows:

Friday, September 23, 2022 10 a.m. – 4 p.m.

Additional Quilt Appraisal Dates (as needed)

Thursday, September 22, 2022 Saturday, September 24, 2022

Once your registration is received, you will be contacted to set up an appointment time. Appointments are in 30-minute increments and will be filled in order of receipt of registration.

If you have a quilt hanging in the show, you have the opportunity to have your quilt appraised by indicating it on your Quilt Registration Form along with payment. Quilts will be appraised while the quilt is hanging in the show.
